

Personal Resume

Personal Information

First and Last Name: Nadia Saniee
Employment Status: Contractual
Department: Medical Library and Information Sciences
Academic Rank: Assistant Professor
Phone: +98 81 3838 1014
Address: Hamadan University of Medical Sciences, Hamadan, Iran
Email: nadasanee@yahoo.com

Educational Information

Specialized or Professional Doctorate: Medical Library and Information Science
Thesis Title: Futures study of Research Performance Evaluation Using a Scenario-Based Approach
Year of Graduation: 2021

Master's Degree: Medical Library and Information Science
Dissertation Title: Assessing the Scientific Standing of Endocrinology, Diabetes, and Metabolism Research Centers at Universities of Medical Sciences in Iran Based on Scientific Publications Indexed in Selected Databases Using the Exergy Method
Year of Graduation: 2014

Bachelor's Degree: Medical Library and Information Science
Year of Graduation: 2010

Executive Records

1. Top-Ranked Talented Student, Hamadan University of Medical Sciences, 2006–2010.
2. Top-Ranked Talented Student, Tehran University of Medical Sciences, 2011–2014.
3. Top-Ranked Talented Student, Iran University of Medical Sciences, 2017–2021.
4. Founding Member, Medical Library and Information Science Association, Hamadan University of Medical Sciences, 2010.
5. Editor, Payam Vista Journal, Medical Library and Information Science Association, Hamadan University of Medical Sciences, 2010.
6. Member of the Systematic Review and Meta-Analysis Research Team at universities of medical sciences across Iran, 2011–present.
7. Project Manager, conversion of the Library of the Center for Medical Education Development and Studies, Tehran University of Medical Sciences, into a national reference center for medical education, for three months under the supervision of Dr. Laden Fathi, 2012.
8. Member, Medical Library and Information Science Association, Tehran University of Medical Sciences, 2013.
9. Research Expert, Student Research Committee, Kurdistan University of Medical Sciences, 2014–2015.
10. Head of Scientometrics and Publications Unit, Kurdistan University of Medical Sciences, 2016.
11. Member of the Scientometrics Committee and Secretary of the Publications Council, Kurdistan University of Medical Sciences, 2015–2016.
12. Member of the Working Group for Establishing the Scientific Exchange Network and Joint Educational Programs in Region Three, 2016.
13. Publishing Expert, Kurdistan University of Medical Sciences, 2015–2016.

14. Employed as a Contract-Based Staff Member, Kosar Hospital (540-bed), Sanandaj, March–October 2017. Resigned after admission to a doctoral program.
15. Member of the Central Council, Student Research Committee, School of Management and Medical Information Sciences, Iran University of Medical Sciences, 2018–2020.
16. Member of the Central Council, Student Research Committee, Iran University of Medical Sciences, 2018–2021.
17. Student Editor-in-Chief, Zanko Journal of Medical Sciences, Kurdistan University of Medical Sciences, 2021–2022.
18. Collaborator, educational-research project entitled “Faculty Development,” Office of Educational Development, Iran University of Medical Sciences, 2017–2018.
19. Member of the Book Selection Committee, School of Management and Medical Information Sciences, Iran University of Medical Sciences, 2018–2021.
20. Head of the Education Working Group, Student Research Committee, School of Management and Medical Information Sciences and Central Student Research Committee, Iran University of Medical Sciences, 2017–2020.
21. Collaborator, Scientometrics and Publications Unit, Iran University of Medical Sciences, 2018.
22. Member of the Research Council, Student Research Committee, Iran University of Medical Sciences, 2019–2021.
23. Collaborator, “Assessment of Examination Questions” project, Office of Educational Affairs, Iran University of Medical Sciences, 2019.
24. Collaborator with the COVID-19 Response Headquarters of Iran University of Medical Sciences and the Ministry of Health and Medical Education in preparing educational documentation and podcasts, 2019–2020.
25. Instructor, teaching more than 200 hours of academic courses and workshops for physicians, faculty members, and students at universities of medical sciences across Iran, 2014–present.
26. Instructor and Advisor, Medical Sciences Olympiad Student Team, Iran University of Medical Sciences, 2020–2021; achieved second place nationally.
27. Instructor and Advisor, Medical Sciences Olympiad Student Team, Kurdistan University of Medical Sciences, 2021; achieved third place nationally.
28. Secretary, Talented Students and Olympiad Committee, Asadabad Faculty of Medical Sciences, 2023–2024.
29. Permanent Member, Iranian Medical Library and Information Science Association, 2021–present.
30. Volunteer Researcher, Spiritual Health Research Center, Iran University of Medical Sciences, for three months, Fall 2022.
31. Editorial Board Member and Reviewer, Journal of Clinical and Medical Images, Case Reports, 2021–present.
32. Reviewer for Reputable National and International Journals, ongoing.
33. Faculty Member, Asadabad School of Medical Sciences, 2022–2024.
34. Secretary, Foresight and Reference Excellence Working Group, Asadabad School of Medical Sciences, 2023–2024.
35. Chair, Student Committee for the Development of Medical Education, Asadabad School of Medical Sciences, 2023–2024.
36. Secretary, Talented Students and Olympiad Committee, Asadabad School of Medical Sciences, 2023–2024.
37. Secretary, Evidence-Based Innovative Educational Projects Committee, Asadabad School of Medical Sciences, 2023–2024.

38. Secretary, Educational Scholarship Committee, Asadabad School of Medical Sciences, 2023–2024.
39. Member, Faculty Development and Empowerment Committee, Asadabad School of Medical Sciences, 2023–2024.
40. Head, Books and Publications Office, Asadabad School of Medical Sciences, 2023–2024.
41. Head of Scientometrics, Asadabad School of Medical Sciences, 2023–2024.
42. Secretary, Talented Students Committee, Asadabad School of Medical Sciences, 2023–2024.
43. Secretary, Internationalization Working Group, Asadabad School of Medical Sciences, 2023–2024.
44. Member, Research Council, Asadabad School of Medical Sciences, 2023–2024.
45. Secretary, Publications Council, Asadabad School of Medical Sciences, 2023–2024.
46. Member, Health Technology Council, Asadabad School of Medical Sciences, 2023–2024.
47. Manager of Medical Information and Scientific Resources, Asadabad School of Medical Sciences, 2023–2024.
48. Executive Manager, Avicenna Journal of Aging and Healthcare.
49. Volunteer Community Health Activities, including visits to rural areas of Asadabad County, 2023–2024.
50. Faculty Member, Hamadan University of Medical Sciences, 2024–present.
51. Director of the Educational Development Office (EDO), School of Allied Medical Sciences, Hamadan University of Medical Sciences, 2025–present.
52. Member, Responsive Education Committee, School of Allied Medical Sciences, Hamadan University of Medical Sciences, 2025–present.
53. Member, Responsive Education Committee, Educational Development Center (EDC), Hamadan University of Medical Sciences, 2025–present.
54. Member, Evaluation Committee, School of Allied Medical Sciences, Hamadan University of Medical Sciences, 2025–present.
55. Member, Curriculum Planning Committee, Educational Development Center (EDC), Hamadan University of Medical Sciences, 2025–present.
56. Deputy Head of the Medical Library and Information Science Department, School of Allied Medical Sciences, Hamadan University of Medical Sciences, 2025–present.
57. Member, Faculty Committee for Selecting the Outstanding Faculty Member, School of Allied Medical Sciences, Hamadan University of Medical Sciences, 2025–present.
58. Deputy Editor-in-Chief, Pajouhan Journal, Hamadan University of Medical Sciences, 2025–present.
59. Member, Scientometrics Committee**, Iranian Medical Library and Information Science Association, 2025–present.

Membership in local, provincial, national, and international associations and societies:

1. Founding Member, Medical Library and Information Science Association, Hamadan University of Medical Sciences, 2010.
2. Member, Medical Library and Information Science Association, Tehran University of Medical Sciences, 2013.
3. Member, Working Group for Establishing the Scientific Exchange Network and Joint Educational Programs in Region Three of the Country, 2016.
4. Permanent Member, Iranian Medical Library and Information Science Association, 2021–present.
5. Member, Scientometrics Committee, Iranian Medical Library and Information Science Association, 2025–present.

6. Member of Researcher Profiles and Academic Networks: ResearcherID, ORCID, Google Scholar, Publons, LinkedIn, ResearchGate, Semantic Scholar, and Academia.

ORCID: <https://orcid.org/0000-0001-9424-1507>

Scopus Author ID: 56990061000

LinkedIn: <https://www.linkedin.com/in/nadia-sani-ee-31187270/>

Academia: <https://independent.academia.edu/NSaniee>

Educational Records:

Teaching Records:

1. Instructor, “**Scientific Writing**” (1 credit), Dental Students, Kurdistan University of Medical Sciences, Fall Semester 2015–2016.
2. Instructor, “**Medical Information Systems**” (1 credit), PhD Students in Clinical Psychology, School of Behavioral Sciences, Iran University of Medical Sciences, 2017–2018.
3. Instructor, “**Medical Information Systems**” (1 credit), MSc Students in Health Economics, School of Management and Medical Information Sciences, Iran University of Medical Sciences, 2018–2019.
4. Instructor, “**Medical Information Systems**” (1 credit), MSc Students in Health Services Management, School of Management and Medical Information Sciences, Iran University of Medical Sciences, 2018–2019.
5. Instructor, “**Indexing and Abstracting**” (2 credits), MSc Students in Medical Library and Information Science, School of Management and Medical Information Sciences, Iran University of Medical Sciences, 2019–2020 (Online instruction, including the development of educational videos and digital learning materials during the COVID-19 pandemic)
6. Instructor, “**Medical Information Systems**” (1 credit), PhD Students in Health Policy, School of Management and Medical Information Sciences, Iran University of Medical Sciences, 2019–2020 (Online instruction, including the development of educational videos and digital learning materials during the COVID-19 pandemic)
7. Instructor, “**Medical Information Systems**” (1 credit), PhD Students in Disaster Health, School of Management and Medical Information Sciences, Iran University of Medical Sciences, 2020 (Online instruction, including the development of educational videos and digital learning materials during the COVID-19 pandemic)
8. Instructor, “**Computer Applications in Medical Sciences**” (2 credits), MSc Students in Midwifery, School of Nursing and Midwifery, Iran University of Medical Sciences, 2020–2021.
9. Instructor, “**Medical Information Systems**” (1 credit), MSc Students in Anatomy, School of Medicine, Kurdistan University of Medical Sciences, 2021–2022.
10. Instructor, “**Science, Technology, and Innovation Assessment**” (2 credits), PhD Students in Health Futures Studies, Iran University of Medical Sciences, 2021–2022.
11. Instructor, “**Medical Professionalism and Ethics**” (1-credit workshop), International Medical Students, Iran University of Medical Sciences, 2022–2023 (Taught in English)

12. Faculty Member, Asadabad School of Medical Sciences, teaching the following courses: **Information Technology in Nursing, Medical Information Systems, General English, and Pre-University English**, 2022–2024.

13. Faculty Member, Hamadan University of Medical Sciences, teaching specialized courses in **Medical Library and Information Science** as well as **Medical Information Systems** for students in other academic departments, 2024–present.

14. Instructor for more than 100 research and medical information workshops at various universities across Iran, covering topics including:

- **Scientometrics**
- **Basic Information Searching**
- **Advanced Information Searching**
- **Searching for Systematic Review Studies**
- **Research Proposal Writing**
- **Research Methodology**
- **Hot Topics in Research**
- **Scientific Article Writing and Submission**
- **Research Diploma Programs**
- **Journal Editing**
- **Descriptive and Analytical Studies**
- **Types of Articles in Medical Sciences**
- **Narrative Review Articles**
- **Comprehensive Research Methodology Course for International Students, delivered in both Persian and English**
- **Citation Databases**
- **Evidence-Based Medicine**
- **Webometrics Indicators**
- **University Ranking Systems**
- **EndNote**
- **Mendeley**
- **Publication Ethics**
- **Health futures study**
- **Abstract Submission for Conferences**
- **Research Priority Setting**
- **Innovative Research Projects**

Theses:

1. Thesis Advisor, “**The Status of Innovation in Central Libraries of Universities of Medical Sciences in Iran**”, Iran University of Medical Sciences, 2020.

2. Thesis Advisor, MSc in Medical Library and Information Science, “**Assessing the Policy Impact of Health Management and Policy Research at Iran University of Medical Sciences**”, Iran University of Medical Sciences, 2022.

3. Thesis Advisor, “**Investigating the Relationship Between Health Literacy Level and Self-Care Behaviors Among Diabetic Patients Attending the Clinic of Qaem Hospital (A.S.) in Asadabad County**”, Hamadan University of Medical Sciences, 2023.

4. Thesis Advisor, “**Exploring Physicians’ Experiences of Using Evidence-Based Medical Information Databases in Clinical Decision-Making**”, Tabriz University of Medical Sciences, 2026.

Research Background

Research Interests:

1. **Science, Technology, and Innovation Studies and Scientometrics**
2. **Health Literacy**
3. **Evidence-Based Medicine**
4. **Research Policy and Management**
5. **Systematic Reviews and Meta-Analyses**
6. **Medical Library Management**

7. Medical Information Services**8. Health Foresight****9. Artificial Intelligence and Emerging Information Technologies****10. Clinical Librarianship****Published Books:**

1. Author, An Introduction to the Nature and Applications of Grey Literature, Chapar Publications, 2014.
2. Co-author, Clinical Guideline for Spiritual Care for Patients with Cancer, Shahid Beheshti University of Medical Sciences, 2019 (Based on a doctoral dissertation in Nursing)

Published Articles:

1. Do Librarians Need a PhD Degree? EDKA Scientific and Specialized Journal, 2013. Scientific-Promotional Article.
2. Thermodynamic Indicator Of Exergy In Measuring Of Research Performance: A Review Article. Payavard Salamat Journal, 2015. Scopus-indexed.
3. Scientific status of endocrine, diabetes, and metabolism research centers of the universities of medical sciences in Iran according to their scientific productions using exergy method. Scientific Journal of Kurdistan University of Medical Sciences, 2015. Scopus-indexed.
4. A survey of Information Literacy level and its related factors among the students of Kurdistan University of Medical Sciences and Kurdistan University. Quarterly Journal of Nursing, Midwifery, and Allied Health Sciences, 2018. Scientific-Research Article.
5. Education and distribution of human capital in the health system. Zanko Journal of Medical Sciences, 2021. Scientific-Promotional Article.
6. The Research Impact of Health Management and Policy-Making in Iran: A Case Study. Health Information Management Journal, 2023. ISC-indexed.
7. Evaluation of scientific status of endocrine, diabetes, and metabolism research centers in Iran using exergy method, Webology, 2016, (Scopus)
8. Effect of education based on the health belief model (HBM) on anemia preventive behaviors among Iranian girl students, International Journal of Pediatrics, 2017, (ISI: IF: 1.7)
9. Comparison of medical research performance by thermodynamic and citation analysis methods, Scientometrics, 2018, (ISI: IF: 3.5)
10. Epidemiological survey of Brucellosis in Maragheh City during 2009-2014, International Journal of Pharmaceutical Research, 2018, (EMBASE)
11. An investigation of the relationship between loneliness and general health status in students of Maragheh university of medical sciences in 2016, International Journal of Pharmaceutical Research, 2018, (EMBASE)
12. Recommendations for spiritual care in cancer patients: A clinical practice guideline for oncology nurses in Iran, Supportive Care in Cancer, 2020, (ISI: IF:3.00)
13. Evaluating the implementation of pain management templates in adult intensive care units: A systematic review, Anaesthesia, Pain and Intensive Care, 2020, (ISI: IF: 0.3)
14. One health approach to tackle brucellosis: a systematic review, Tropical Medicine and Health, 2020, (ESCI (IF=3.5))
15. A systematic mapping review of factors associated with willingness to work under emergency condition. Human Resources for Health, 2021, (WOS (ISI: IF: 4.3)
16. Economic evaluation of Denosumab for treatment of postmenopausal osteoporosis: A systematic review, Iranian Journal of Public Health, 2022, (ISI: IF: 1.6)
17. Study of family medicine in breast cancer prevention: A systematic review, Journal of Preventive Epidemiology, 2021, (DOAJ).
18. Social determinant of mental health in immigrants and refugees: A systematic review, Medical Journal of the Islamic Republic of Iran, 2021, (PubMed, Scopus)
19. The effective trends and driver forces in the future of research performance evaluation: A qualitative study, Medical Journal of the Islamic Republic of Iran, 2022, (PubMed, Scopus)
20. The relationship between organizational climate and staff attitude in Iranian medical university libraries, Journal of Medical Library and Information Science, 2022, (Google Scholar, Magiran)
21. Comparative study of research performance and innovation-industry indicators in national and international university rankings, Journal of Medical Library and Information Science, 2022, (Google Scholar, Magiran)
22. Economic evaluation of laboratory diagnostic test types in Covid-19 epidemic: A systematic review, International Journal of Surgery, 2022, (ISI: IF: 10.1)
23. Citation analysis and visualization of Iranian urology and nephrology scientific publications, Journal of Medical Library and Information Science, 2022, (Google Scholar, Magiran)

24. Strengthening primary health care for effective response to pandemics: A systematic review, *Eastern Mediterranean Health Journal*, 2023, (ISI: IF:1.9)
25. Strengthening primary health care in response to communicable disease disasters: Policy options for Iran. *Chronic Disease Journal*. 2022, (SID)
26. Status of Innovation in the central libraries of Iranian medical universities, *Shiraz E-Medical Journal*, 2023, (Scopus, EMBASE)
27. Gender-based violence against women during the COVID- 19 pandemic: Recommendations for future, *BMC Womens' Health*, 2023, (ISI: IF:2.7).
28. The technological impact of Iranian publications: A scientometric analysis, *International Journal of Information Science and Management*, 2024, (Scopus).
29. The association between periodontal disease and helicobacter pylori: an updated meta-analysis of observational studies, *BMC Oral Health*, 2023, (ISI: IF: 3.1)
30. Cost-effectiveness of telemedicine intervention for acute myocardial infarction: a systematic review, *Medical Journal of the Islamic Republic of Iran*, 2023, (PubMed, Scopus)
31. The association between bilirubin levels, and the incidence of metabolic syndrome and diabetes mellitus: a systematic review and meta-analysis of cohort studies, *Clinical Diabetes and Endocrinology*, 2024, (PubMed, Embase)
32. Cost Effectiveness Analysis Rivaroxaban plus Aspirin versus Aspirin alone in treatment Cardiovascular diseases: A Systematic Review, *Medical Journal of the Islamic Republic of Iran*, 2024, (Scopus, PubMed)
33. The Avicenna Journal of Aging and Healthcare: Call for Papers, *Avicenna Journal of Aging and Healthcare*, 2023, (Magiran, Google Scholar)
34. The Scientific Production of Providing Health Services to the Elderly: A Scientometric Study, *Avicenna Journal of Aging and Healthcare*, 2023, (Magiran, Google Scholar)
35. Prevalence of stress urinary incontinence and urge urinary incontinence in multiples sclerosis patients: a systematic review and meta-analysis, *Neurological Sciences*, 2024, (ISI: IF: 2.4).
36. Factors affecting nurses retention during the COVID-19 pandemic: a systematic review, *Human Resources for Health*, 2024, (ISI: IF: 4.3).
37. Osteoporosis and leptin: a systematic review, *Iranian Journal of Public Health*, 2024, (ISI: IF: 1.6)
38. Components of social accountability in medical education: a scoping review, *BMC Medical Education*, 2025, (ISI: IF: 3.2)
39. The role of osteocalcin in patients with osteoporosis: a systematic review, *Iranian journal of public health*, 2024, (ISI: IF:1.6)
40. Therapeutic effects and mechanisms of action of ginger and its bioactive components on inflammatory response, oxidative stress, the immune system, and organ failure in sepsis: a comprehensive systematic review, *Nutrition Reviews*, 2024, (ISI: IF: 4.9)
41. Polycystic ovary syndrome with stroke, hypertension, and cardiovascular diseases: a systematic review and meta-analysis, *BMC Womens' Health*, 2025, (ISI: IF:2.7).
42. Well-being in older adults: scoping review of concept, components and indicators, *Iranian Journal of Ageing*, 2025, (ISI: IF: 0.6)
43. Prevalence of acne vulgaris among women with polycystic ovary syndrome: a systematic review and meta-analysis, *Medical Journal of the Islamic Republic of Iran*, 2025, (PubMed, Scopus)
44. Causes of workplace violence against nurses and strategies for its prevention in developed countries: a scoping review, *BMC nursing*, 2026, (ISI: IF: 3.9)
45. Emotional Experiences of the Home-Dwelling Older Adults During the Isolation of the Coronavirus Disease 2019 Pandemic: A Qualitative Systematic Review, *Health Science Reports*, 2025, (ISI: IF: 2.1)
46. Diagnostic Accuracy and Application of Subarachnoid Hemorrhage Decision Rules Among Patients with Non-Traumatic Acute Headache: A Systematic Review and Meta-Analysis, *Academic Emergency Medicine*, 2025, (ISI: IF: 3.2)
47. A Systematic Review of Effective Herbal Medicine in Alleviating Hot Flashes During Menopause, *Avicenna Journal of Aging and Healthcare*, 2024, (SID, Magiran)
48. Mobile-based interventions for enhancing health literacy in sexually transmitted infections: A systematic literature review, *International Journal of Sexual Health*, 2026, (ISI: IF: 2.1)
49. The Effect of Oxytocin on Osteoporosis Improvement: A Systematic Review, *Medical Journal of the Islamic Republic of Iran*, 2024, (PubMed, Scopus)
50. Polycystic ovary syndrome with metabolic syndrome and diabetes: a systematic review and meta-analysis, *Journal of Ovarian Research*, 2026, (ISI: IF: 4.2)
51. Blended learning in laboratory science education: comparison of flipped classroom and traditional lectures in immunohematology training, *BMC Medical Education*, 2026, (ISI: IF: 3.2)

52. Determinants of workplace violence against nurses and mitigation strategies in hospitals in developing countries: a scoping review, BMC Nursing, 2026, (ISI: IF: 3.9)
53. Application of health literacy promotion systems in sexually transmitted diseases: An altmetric analysis, Journal of Education and Health Promotion, 2025, (ISI: IF: 1.3)
54. The use of artificial intelligence to predict postoperative outcomes following percutaneous nephrolithotomy: A systematic review of prognostic modeling studies, Urologia Journal, 2025, (ISI: IF: 2.00)
55. A Bibliometric Analysis of Iranian Research on the Application of Artificial Intelligence in Breast Cancer, Iranian Journal of Breast Diseases, 2025, (Scopus)
56. Application of Health Literacy Promotion Systems: An Altmetric Analysis, Health Scope, 2025 (ISI: IF: 0.8)
57. Challenges of Research Performance Evaluation in Iran: A Qualitative Study, International Journal of Information Science and Management, 2025, (Scopus)

Research Projects:

1. Narrating Stakeholders' Lived Experiences of Medical Education Accreditation: An Interpretive Phenomenological Study, Hamadan University of Medical Sciences, Collaborator, 2026.
2. Investigating the Relationship Between Electronic Health Literacy and Dietary Behaviors Among Pregnant Women in Hamadan, Hamadan University of Medical Sciences, Collaborator, 2026.
3. Policies Implemented to Improve Patients' Length of Stay in Different Countries Worldwide, Kermanshah University of Medical Sciences, Collaborator, 2025.
4. Design and Psychometric Evaluation of the Persian Version of the Sexually Transmitted Diseases Health Literacy Promotion Questionnaire, Hamadan University of Medical Sciences, Collaborator, 2025.
5. Designing an Educational Program for the Discontinuous MSc Program in Health Information Literacy, Hamadan University of Medical Sciences, Principal Investigator, 2025.
6. Comparing the Effectiveness of Blended Learning (Virtual Flipped Classroom and Demonstration Method) with Traditional Learning (Lecture) in the Practical Immunohematology Course: A Five-Year Study, Hamadan University of Medical Sciences, Principal Investigator, 2025.
7. Spiritual Care Experiences in Different Countries Worldwide: An Umbrella Review, Hamadan University of Medical Sciences, Principal Investigator, 2025.
8. A Systematic Scientometric Analysis of Research on Social Determinants of Health Over the Past Two Decades (2005–2025), Hamadan University of Medical Sciences, Principal Investigator, 2025.
9. A Systematic Scientometric Analysis of Research on Digital Health Literacy (2005–2025), Hamadan University of Medical Sciences, Principal Investigator, 2025.
10. Scientometric Analysis of Research on Social Prescribing (2005–2024), Hamadan University of Medical Sciences, Principal Investigator, 2025.
11. Evaluating the Performance of Educational Departments at Yasuj University of Medical Sciences Using the Cross-Sectional Data Envelopment Analysis (DEA) Model, Yasuj University of Medical Sciences, Collaborator, 2025.
12. Foresight of Artificial Intelligence in Medical Education in Iran: Horizon 1414 (2035), Iran University of Medical Sciences, Principal Investigator, 2024.
13. Effectiveness of Pharmacological Interventions in Reducing the Risk of Cardiovascular Events in Patients with Type 2 Diabetes: A Systematic Review and Network Meta-Analysis, Kurdistan University of Medical Sciences, Collaborator, 2024.
14. Application of Health Literacy Promotion Systems in Sexually Transmitted Diseases: An Altmetric Analysis, Asadabad Faculty of Medical Sciences, Principal Investigator, 2024.
15. Bibliometric Analysis and Visualization of Articles Published in the Journal of Military Medicine, Hamadan University of Medical Sciences, Collaborator, 2024.
16. Application of Artificial Intelligence in Breast Cancer: A Bibliometric Analysis of Iranian Articles Indexed in the Web of Science Database, Hamadan University of Medical Sciences, Collaborator, 2024.
17. Mobile-Based Applications for Health Literacy Promotion in Sexually Transmitted Diseases: A Systematic Review, Hamadan University of Medical Sciences, Collaborator, 2024.
18. Assessment of Online Attention to Research Activities Related to the Application of Artificial Intelligence in Colorectal Cancer on Social Media, Asadabad Faculty of Medical Sciences, Principal Investigator, 2024.
19. A Systematic Review of Medicinal Plants Effective in Improving Menopausal Hot Flashes, Asadabad Faculty of Medical Sciences, Collaborator, 2024.

20. Altmetric Analysis of Research on Health Literacy Systems (1992–2022), as part of the National Project for the Design and Implementation of an Integrated System for Measuring and Promoting Adult Health Literacy, Hamadan University of Medical Sciences, Collaborator, 2024.
21. Bibliometric and Altmetric Analysis of Articles Published on Orthodontics in Selected Databases, Hamadan University of Medical Sciences, Collaborator, 2024.
22. Investigating the Participation of Iranian Researchers in Scientific Outputs on Knowledge Sharing: A Scientometric Study, Hamadan University of Medical Sciences, Collaborator, 2024.
23. Bibliometric Analysis of Scientific Publications on Healthcare Services for Older Adults, Asadabad Faculty of Medical Sciences, Principal Investigator, 2024.
24. Investigating the Relationship Between Health Literacy Level and Self-Care Behaviors Among Diabetic Patients Attending the Clinic of Qaem Hospital (A.S.) in Asadabad County, Hamadan University of Medical Sciences, Thesis Advisor, 2023.
25. Design and Implementation of an Integrated System for Measuring and Promoting Health Literacy in Sexually Transmitted Diseases, Hamadan University of Medical Sciences, Collaborator, 2023.
26. Prevalence of Stress and Urge Urinary Incontinence in Patients with Multiple Sclerosis: A Systematic Review and Meta-Analysis, Asadabad Faculty of Medical Sciences, Collaborator, 2023.
27. Identifying the Components of Social Accountability in Medical Education: A Scoping Review, Asadabad Faculty of Medical Sciences, Principal Investigator, 2023.
28. Analysis of the Performance and Research Focus on COVID-19 in the Eastern Mediterranean Region During the First Two Years of the Pandemic: A Bibliometric Review, Hamadan University of Medical Sciences, Collaborator, 2023.
29. Leptin and Osteoporosis: A Systematic Review, Abadan University of Medical Sciences, Collaborator, 2022.
30. The Role of Oxytocin in Osteoporosis: A Systematic Review, Abadan University of Medical Sciences, Collaborator, 2022.
31. Investigating Factors Affecting the Nursing Workforce Shortage During COVID-19: A Systematic Review-Based Delphi Study in the Eastern Mediterranean Region, Iran University of Medical Sciences, Collaborator, 2022.
32. Strengthening Primary Health Care in Response to Communicable Disease Crises: Policy Options for Iran, Kurdistan University of Medical Sciences, Collaborator, 2021.
33. Cost-Effectiveness Comparison of Telemedicine for Acute Myocardial Infarction with Inpatient Emergency Department Services, Iran University of Medical Sciences, Collaborator, 2021.
34. A One Health Approach to Brucellosis Control: A Scoping Review, Iran University of Medical Sciences, Collaborator, 2020.
35. Temporal Visualization of the Scientific Outputs of Iranian Researchers in Urology and Nephrology Indexed in the Science Citation Index Expanded up to 2020, 2020.
36. Economic Evaluation of Diagnostic Strategies in Patients with Stable Angina Pectoris: A Systematic Review, Iran University of Medical Sciences, Collaborator, 2019.
37. Foresight of Research Performance Evaluation Using a Scenario-Based Approach, Iran University of Medical Sciences, Principal Investigator, 2019.
38. Investigating the Effect of Organizational Climate on Organizational Attitudes in Central Libraries of Universities of Medical Sciences in Tehran Based on the ClimateQual Instrument, Iran University of Medical Sciences, Principal Investigator, 2018.
39. Assessment of General Dentists' Awareness of Preventive Orthodontic Treatments in Khorramabad in 2018, Lorestan University of Medical Sciences, Collaborator, 2018.
40. Assessing the Scientific Standing of Kurdistan University of Medical Sciences Among Universities of Medical Sciences in Iran Based on the H-Index and Exergy Indicators in 2015, Kurdistan University of Medical Sciences, Principal Investigator, 2016.
41. Assessing the Level of Information Literacy and Its Related Factors Among Students of Kurdistan University of Medical Sciences and University of Kurdistan in 2015, Kurdistan University of Medical Sciences, Collaborator, 2015.
42. A Systematic Review of General Practitioners' and Clinical Specialists' Attitudes, Knowledge, and Practices Regarding Evidence-Based Medicine, Iran University of Medical Sciences, Collaborator, 2014.
43. Assessing the Scientific Standing of Endocrinology, Diabetes, and Metabolism Research Centers at Universities of Medical Sciences in Iran Based on Indexed Scientific Publications Using Quantitative and Qualitative Exergy Assessment, Tehran University of Medical Sciences, Principal Investigator, 2013.

Participation in Conferences and Meetings

1. Oral Presentation, "Investigation of Information-Seeking Behavior Among Graduate Students of Hamadan University of Medical Sciences in 2010," 6th National Congress of Paramedical Students, Tehran University of Medical Sciences, February 27–28, 2012.

2. Poster Presentation, "Citation Analysis of References in Graduate Theses at Hamadan University of Medical Sciences," 6th National Congress of Paramedical Students, Tehran University of Medical Sciences, February 27–28, 2012.
3. Participant, National Conference on Libraries and People, Shahid Bahonar University, October 9–10, 2013.
4. Poster Presentation, "The Role of Libraries in Knowledge Management Processes," National Conference on Knowledge Management: Present and Future, Shahid Chamran University of Ahvaz, April 24–25, 2013.
5. Poster Presentation, "The Role and Importance of Virtual Reference Services in Providing Optimal Services to Users with Disabilities," National Conference on Libraries and People, Shahid Bahonar University of Kerman, October 9–10, 2013.
6. Poster Presentation, "Assessment of Operating Room Staff's Views on the Prevention and Management of Medical Errors in Operating Rooms of Besat Hospital, Sanandaj, 2014," 3rd National Congress on Safety in the Health System with a Focus on Patient Safety, Urmia University of Medical Sciences, November 18–20, 2015.
7. Poster Presentation, "Knowledge, Attitudes, and Practices of Clinical Residents at Kurdistan University of Medical Sciences Regarding Medical Ethics," 4th Annual Congress of Iranian Medical Ethics, January 26–29, 2016.
8. Participant, 5th Meeting of Directors and Scientometrics Experts of Universities of Medical Sciences in Iran, Ministry of Health and Medical Education, March 8, 2016.
9. Participant, "Selected Processes of the Motahari Festival" Gathering, Kurdistan University of Medical Sciences, April 14, 2016.
10. Poster Presentation, "Application of Thermodynamic Entropy and Exergy Indicators in Assessing Research Performance of Universities and Achieving Scientific Reference Excellence," 3rd Conference on Scientific Reference Excellence, AJA University of Medical Sciences, May 26, 2016.
11. Participant, National Conference on Scientific Reference Excellence, AJA University of Medical Sciences, May 26, 2016.
12. Participant, Seminar on the Entrepreneurial University and Knowledge Translation, Iran University of Medical Sciences, February 19, 2018.
13. Poster/Oral Presentation, "Evaluating the Implementation of Pain Management Templates in Adults Admitted to Intensive Care Units: A Review Study," 7th International Congress of Critical Care, 2017.
14. Oral Presentation, National Webinar, "Foresight of Research Performance Evaluation Using a Scenario-Based Approach," Foresight Working Group, National Research Institute for Science Policy, March 15, 2022.
15. Oral Presentation, National Webinar, "A Look into the Future of Research Performance Evaluation in Iran," Research Center for Social Determinants of Health, Kurdistan University of Medical Sciences, April 27, 2022.
16. Participant, International Congress on "Imam Hussein and Health," organized by the Spiritual Health Research Center, Iran University of Medical Sciences, September 2022.
17. Participant, Conference on "Health and Population Youthfulness," Asadabad School of Medical Sciences, May 24, 2023.
18. Participant, "ETA" Festival, Asadabad School of Medical Sciences, May 30, 2023.
19. Reviewer, 14th International Farabi Award Festival, July 15, 2023.
20. Poster Presentation, "The Relation Between Health Literacy and Self-Care Management in Patients with Hypertension in Iran: A Systematic Review," International Congress on Health Literacy, Health Education, and Health Promotion, Mashhad University of Medical Sciences, August 19–23, 2023.
21. Poster Presentation, "Altmetric Analysis of Research Related to Health Literacy Systems from 1992 to 2022," International Congress on Health Literacy, Health Education, and Health Promotion, Mashhad University of Medical Sciences, August 19–23, 2023.
22. Participant, One-Day Conference on "Healthy Aging," Asadabad School of Medical Sciences, October 18, 2023.
23. Speaker, One-Day Conference on "Healthy Aging," Asadabad School of Medical Sciences, October 18, 2023.
24. Participant, 29th Razi Festival of Medical Sciences Research and Technology, January 22, 2024.
25. Participant, AMEE 2024 International Conference – Online, August 26–28, 2024.
26. Oral presentation, National Conference on Productivity in the Health System, November 23, 2023.
